SASKATOON INDUSTRY-EDUCATION COUNCIL
IN PARTNERSHIP WITH

The Saskatoon Industry-Education Council (SIEC) is a bridge between Saskatchewan's career opportunities and Saskatoon and area youth.

The SIEC partners with Saskatoon Public Schools, Greater Saskatoon Catholic Schools, Prairie Spirit School Division and the Saskatoon Tribal Council, which includes 54,367 youth in 111 elementary, 35 K-12 and 18 high schools. Our goal, in the next 13 months, is providing training and professional development to 750 teachers influencing over 15,000 students.

We have purchased 20 class sets of the Robot Mouse, Ozobot, Edison and Arduino and one Raspberry Pi class set. In order for the SIEC to accomplish and exceed our goal we are asking for your support to purchase additional classroom kits!
